FROM PRINCIPAL DESK

“Observation more than books, experience more than persons are the prime educators”.

We constantly endeavor to this line up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure holistic activity based quality education in a healthy competitive environment.

Today the role of school is not only to pursue academic excellence but to empower the students with experiential learning to become lifelong learners and to provide them with an atmosphere for self discovery by allowing them to be creative, observant and curious. Thus DAV is an institution which is child centric, encourages its students to channelize their potential in pursuit of excellence.

The school functions and all the activities are a microcosm of an ideal world order. It is a culmination of multiple & diverse energies brought together to create a rich and aesthetic experience with a deep spiritual message of harmony and peaceful co existence. With this thought in mind we aim to give the best school experience by continually investing in new and existing facilities, training, technology and services. We set high standards and expect the best for and from our students.

We are confident that in this new session also the programmes for enhancement of teaching methodologies of teachers, enrichment of minds of students through activities and a meaningful partnership with parents will take us to greatest heights. Curriculum at DAV has been driven by the needs of its students and will continue to be so in times to come.

The roadmap hereby chartered to provide a stable and forward looking curriculum in the almanac and syllabus will surely help in the understanding and smooth functioning of the institution. Thus with the joint efforts of all staff members and parents, I look forward for a very gratifying future and outstanding results of all the students.

Wishing you an exciting and enriching year ahead.

MISCELLANEOUS

Teaching with Technology (Digital Classrooms)

Technology can have a reciprocal relationship with teaching. The emergence of new technologies pushes educators to understand and leverage these technologies for classroom use. As technology has improved, so has the way of its dissemination to the students in a qualitative manner. Digital Classroom Solutions provide interactive, visual simulations to aid in teaching simple and complex concepts in almost every subject for almost every class.

We feel proud to have been associated with probably the best service provider in this field to cater the needs of our students in this respect. Undoubtedly, with these recent technologies in the classroom, strong conceptual knowledge can be achieved, as well difference between the way students are taught in school and the way they approach the outside world is tried to be seamless.

Homework Policy

Students should try and do their homework entirely on their own, without the help of their parents. They should develop a regular homework routine, keep their parents informed with respect to homework assignment and show them the finished work. Students should Ensure that their homework assignments are completed on time and that all supporting books and materials are carried back to school.

School's Website

Your ward's school places a lot of emphasis on integration of information technology for the smooth functioning of the school and for minimizing efforts in communication. With this in view we maintain the school's website, which more than anything else, serves as a portal for dissemination of information about the school and about the happenings on the campus.

The website also serves as a notice board giving information about admissions, vacancies, recruitment, and their related

schedules. In addition it has links for downloading latest publications and newsletters that are uploaded in a document reader format so that they can easily be downloaded and read at leisure. The website also reports about events and programmes that are conducted on the campus. All kinds of application forms will be made available online so that parents do not have to come to school and can communicate with the school on various issues from the comfort of their homes and offices.

Short Messaging Service (SMS)

The way education is imparted today has changed dramatically. Parents today look for that small extra edge that one institution has over the other. Parents worry endlessly about the well being of their wards & are keen to know what's happening at the school & how their ward is faring.

School SMS System is an advanced text message information disbursement system which lets the parents to keep an eye on their ward's performance all the time and also keep them aware about any major or minor event and change taking place in school. The School feels utmost pleasure to proclaim itself as the pioneer school to have introduced such ahead-of-the-time facility for the parents in the school.

PRAYER OF A STUDENT

Give me an attentive mind, Lord, keen and alert
So that I can concentrate and grasp my lesson
Give me an eager mind to learn something new every day.
And let my aim always be to overcome the evil
Of the visible world to reach you
O Invincible, Eternal Unchangeable Truth.

PRAAYER

We shall overcome, we shall overcome,
We shall overcome someday;
Oh, deep in my heart, I do believe,
We shall overcome someday.

We'll walk hand in hand,
We'll walk hand in hand,
We'll walk hand in hand someday;
Oh, deep in my heart, I do believe,
We'll walk hand in hand someday.

The truth will make a sweet,
The truth will make a sweet,
The truth will make a sweet someday;
Oh, deep in my heart, I do believe,
The truth will make a sweet someday.

We are not afraid,
We are not afraid,
We are not afraid today;
Oh, deep in my heart, I do believe,
We are not afraid today.

We shall live in peace,
We shall live in peace,
We shall live in peace someday;
Oh, deep in my heart, I do believe,
We shall live in peace someday.

WHERE THE MIND IS WITHOUT FEAR

Where the mind is without fear and the head is held high;
Where knowledge is free;
Where the world has not been broken up into fragments by narrow domestic walls;
Where words come out from the depth of truth;
Where tireless striving stretches its arms towards perfection;
Where the clear stream of reason has not lost its way into the dreary desert sand of dead habit;
Where the mind is led forward by Thee into ever widening thought and action
Into that heaven of freedom, my Father, let my country awake.

—Rabindranath Tagore

सुबह की प्रार्थनाएँ (Daily Prayers)

(1) हर तरफ हर जग हर कहीं पे है, हाँ उसी का नूर

रोशनी का कोई दरिया तो है, हाँ कहीं पे जरूर
ये आसमा ये जमीं ये चाद और सूरज,
क्या बना सका है कभी कोई भी कुदरत,
कोई तो है जिसके आगे है आदमी मजबूर,
इंसान जब कोई है राह से भटका,
किसने दिखा दिया उसको सही रस्ता,
कोई तो है जो करता है मुश्किल हमारी दूर,

(2) ऐ मालिक तेरे बंदे हम

ऐ मालिक तेरे बन्दे हम, ऐसे हो हमारे कर्म,
नेकी पर चलें हर वदी से टलें
ताकि हंसते हुए निकले दम
ये अंधेरा घना छा रहा तेरा इंसान घबरा रहा,
हो राह बेखबर कुछ न आता नजर,
सुख का सूरज छिपा जा रहा,
है तेरी रोशनी में जो दम, तू अमावश को कर दे पूनम
नेकी पर चलें और वदी से टले.....
जब जुल्मों को हा सामना, तब तू ही हमें थामना,
वो बुराई करें हम भलाई करें, नहीं बदले की हो कामना,
बढ़ उठे प्यार का हर कदम, और मिटे गैर का ये भरम,
नेकी पर चलें और वदी से टलें....

(3) हर देश में तू हर वेश में तू

हर देश में तू हर वेश में तू, तेरे नाम अनेक तू एक ही है तेरी रंग भूमि ये
विश्व धरा हर खेल में मेल में तू ही तू है
सागर से उठा बादल बन के, बादल से गिरा जल होकर के, फिर नहर
बनीं नदियाँ गहरी तेरे भिन्न प्रकार तू एक ही है।
यह दृश्य दिखाया है जिसने वह है गुरुदेव की पुण्य कृपा
ठुकराकर और न कोई मिला बसे मैं और तू सब एक ही हैं।
चींटी से भी अणु परमाणु बना सब जीव जगत का सार
लिए, ठुकराकर और ना कोई मिला बस मैं और तू सब एक ही है।

(4) प्रभु का वन्दन कर ले रे मन....

प्रभु का वन्दन कर ले रे मन पावन हो जाए जीवन
जीवन क्या है एक छोटी सी नैया, पतवार बन आए भगवन
मन में है सपने हमारे हम तो हैं बच्चे तुम्हारे
विद्या बुद्धि का हमें ज्ञान दो प्रभु पूरे हो सपने हमारे।
प्रभु तो हैं परम सनातन कर ले मन आत्म मंथन
प्रभु की शरण में जो जब आया, पाया वो सुख के सब साधन।

(5) करते प्रभु वन्दन

करते प्रभु वन्दन चरणों में
वन्दना-वन्दना-वन्दना-2
पावन-पावन ईश्वर कण-कण में सदा निरंतर
तेरी महिमा महामय गूजती धरा अंबर
तेरे पावन चरणों में हम शीश नवाते हैं।
वन्दना-वन्दना-वन्दना-2
गुझमें भी है समाया जिसने संसार रचाया
जल में थल में पवन में हर रंग सुगंध में पाया
हे सकल जगत के स्वामी तेरे गुण गाते हो
वन्दना-वन्दना-वन्दना-2

(6) तेरी है जमी तेरा आसमा

तेरी हैं जमीं तेरा आसमां, तू बड़ा मेहरबां
तू बख्शीश कर सभी का है तू सभी तेरे
है खुदा मेरे तू बख्शीश कर
तू चाहे तो हमें रखे तू चाहे तो हमें मार
तेरे आगे झुका के सर खड़े है आज हम सारे
ओ सबसे बड़ी ताकत वाले, तू चाहे हर आफत टाले
तेरी मर्जी से ए मालिक हम इस दुनिया में आए हैं
तेरी रहमत से हम सबने ये जिस्मों जान पाए हैं,
तू अपनी नजर हम पर रखना,
किस हाल में है ये खबर रखना।
